Matte 160gsm

Production Values

Accurate colour

We've received over 100 local and international awards for print quality, and our workflow is strictly colour-managed.

Superior materials

Our paper and materials are sourced from reputable suppliers to ensure the best combination of quality, durability and environmental friendliness.

Technology meets craftsmanship

We take pride in combining the latest digital print technology with traditional binding techniques, performed by expert staff.

Worldclass quality

Our products are made to exacting quality standards. We will replace any product with defects in materials or workmanship.

Pricing Overview

We have three price lists to suit a variety of client needs. All prices are in AUD inc GST. Please note that prices are subject to change.

Print on demand range

For one to 24 copies. Trade discounts apply.

Includes albums, hardcover books, boxes, folios and stationery.

Trade discounts: Gold 25%, Silver 20% or Bronze 15%, applicable to every order except Swatch Boxes and emboss stamps. Available to professional creatives and corporates with an ABN. Discount levels are reviewed annually.

Studio Display discounts: 40% off five sample products per year, to assist wedding and portrait photographers with studio sales. Cannot be combined with Trade Discount.

Standard volume order range

For 25 to 250 copies. Trade discounts **do not** apply.

Includes hardcover books, perfect bound books and booklets.

Volume prices are significantly less than print on demand prices and apply to a limited range of formats, materials and quantities.

Custom Volume Orders

Contact our Volume Order Manager or submit an online quote request for orders of any quantity, size or features not covered by our standard volume offering.

How to self publish

Self publishing is now the most viable option for photo book creators in Australia and New Zealand. Our volume hardcover and softcover range has been curated especially for self publishers, with a minimum order requirement of 25 copies and a maximum of 250. Test pages and proof books are also available.

To help you navigate the self publishing journey we've created a step-by-step guide on the considerations for each part of the process, as well as a questionnaire for you to complete to get you started.

Topics covered include:

- Publishing options
- Purpose + audience
- Funding + budget
- Editing + design
- Format + quantity
- Pricing + promotion
- Sales + distribution
